Congratulations to the 2009 Domestic Corps Interns!

NPM is pleased to announce the success of our 2009 Domestic Corps interns. Over the course of the summer, these 19 students vigorously worked to complete high-level, high-impact projects for nonprofit organizations across the United States, including NEW (Nonprofit Enterprise at Work), Net Impact, and Make-A-Wish Foundation of Metro New York. As a result of their work, strategic plans were developed, new programs were established, marketing strategies were created, and so much more.
